Themed Day Camps

Our Themed Day Camps include sessions of some of our favorite camp activities, adapted each week to fit a new theme. We have spent a great deal of time creating these options for campers and each camp theme below was selected with a full day camp model in mind. The camps will run 9am to 4:00pm, Monday through Friday. They are jam-packed with fun ideas to challenge each child and ways to bring out the most creative young minds. The themed day camps are geared towards children in grades K-8 with 4 different levels of development in mind. They are not too hard for a rising Kindergartner and will be tons of fun for a rising 8th grader. Each week campers will dabble in these theme-adapted activities:

Ooey Gooey Science - All the fun of science discovery, twice the mess.

Big Messy Art - Creativity is measured by what **doesn't** make it on the canvas.

Get Fit Kids - Movement is the goal; falling in love with exercise is a definite side effect.

Scavenger Hunt - The fun isn't in what you find; it's in how you find it.

Art Smart Kids

07/16 - 07/20

K-8th

Campers will spend the whole week getting creative using visual and performing arts. Each day we will dabble in a new medium for artistic expression. We will paint, draw, write, act, dance and more to help us prepare for the art display and talent show at the end of the week! **\$199 until April 16th**

Weird Science

07/16 - 07/20

K-8th

Spend this week busting myths, testing scientific theories, and investigating natural phenomena. You'll know as much as Einstein by the end of the week! Are Big Foot, the Loch Ness Monster or aliens real? How does a hurricane form? Can you rip a phone book in half? Does it float? Look for the answers to these and other questions in a week-long camp where campers work together to uncover mysteries and discover friendships. See you there!

\$199 until April 16th

Think Fun

07/23 - 07/27

K-8th

ThinkFun is an educational game-making company that is teaming up with Baroody Camps to challenge young minds during the summer. We are adapting their games and applying them to a full day camp. Each game will test the individual and the group. Each day, campers will work together to solve puzzles and problems with the learning tools taught to them by our counselors. Collaboration and friendly competition will make this summer camp a favorite for years to come. **\$199 until April 16th**

American Girl

07/23 - 07/27

K-3rd

Learn about a variety of time periods of American History through play with these popular dolls. During the week, campers will take a journey with each doll through books, games and hands on activities. Dolls and accessories are welcome!

\$199 until April 16th
