## Take the Journey

Experience a camp that combines outdoor adventures, movie making, and a chance to visit some of the most incredible places in the country. Woodberry Forest School and the Journey Through Hallowed Ground Partnership invite campers to Take the Journey to Where America Happened.™

## Become an Intelligence Agent

Uncover the mysteries of history through espionage as an agent in the Journey Intelligence Agency! Campers assume the identities of historical figures from the area and make choices that will affect the course of history!

## Hit the Road

- » Hike the C & O Canal
- » Bike Gettysburg National Military Park
- » Climb Catoctin Mountain
- » Raid Harpers Ferry National Historical Park
- » Dig at Ash Lawn-Highland
- » Explore Thomas Jefferson's Monticello
- » Canoe the Potomac River to Ball's Bluff National Battlefield

## Create Digital Masterpieces

Guided by historians, technology specialists, and film producers, campers make movies that showcase the stories they learn along the Journey. Using iPods, video and still cameras, and editing software, students develop creative and problem-solving skills that will help them in school — and life!

## Camp Director

Henry Heil earned a B.A. in history from Davidson College and a master's degree from the University of South Carolina, where he studied 20th-century American history with an emphasis on race relations. He has taught history in middle and high school and at Greensboro College and UNC-Greensboro. In his eighth year at Woodberry, he teaches Ancient and Medieval history and U.S. history.
