

I am excited to begin the 2022-2023 school year as a third grade teacher. This is my third year at Holy Cross Academy, previously assigned as the second grade teacher's aide and the middle school virtual student coordinator, where I assisted our at home learners as well as coordinated learning for any quarantined students; I have also filled the role as a substitute teacher in various grade levels.

Prior to joining Holy Cross Academy, I was a career Marine, serving 20 years as a Criminal Investigations Officer, with specialized training in child abuse prevention and investigative techniques and juvenile crimes. I am a 2019 graduate of Excelsior College, Summa Cum Laude, with a liberal arts major, with an area of focus in criminal justice.

My volunteer experience includes HCA Running Club coach, Vacation Bible School crew leader, second grade classroom assistant, and Chapter Captain, Team Red, White, and Blue.

I am the proud mother of Holy Cross Academy student, Murdoch, and a loving wife to my husband, Joshua, of 13 years.

My favorite saint is Saint Michael the Archangel, the patron saint of the military and law enforcement, as many of my friends and family remain in law enforcement and the military to this day.

I love the beach, running, and spending time with my family.

I look forward to returning to the Holy Cross Academy family this year in a new role.
