

I'm a lifelong resident of Virginia. I grew up in Vienna and currently reside in Broad Run in Fauquier County with my husband. We have two adult daughters.

I have a Bachelor's degree from George Mason University and an accounting certificate from University of Virginia. I am a licensed CPA and have 15+ years of experience working as a business manager in the Diocese.

I love working in accounting and especially enjoy working in a Catholic environment. Baking is my hobby and books are my friends. I was a Nats fan until they traded Trea Turner and Max Scherzer and broke my heart.
