

Acceptable Shoes: A picture is worth 1000 words!

All the shoes below would be acceptable in the new dress code. They are all black, made of fabric or leather upper, are “low top” design, have non-marking soles, attach securely to the foot and provide adequate support, and allow students to comfortably participate in school and recess activities. Any of the shoes below are acceptable for school days. On PE days, students must make sure their shoe allows them to participate fully in class.
