

Mrs. Peggy Timmons

Although Mrs. Timmons is new to Holy Cross Academy, her career in education spans 40 years! For the most part, she has taught in Catholic schools, starting with kindergarten and including pre-k, 1st, 2nd, and 4th grades. Besides teaching at several levels, she had also been involved with education in different capacities; she has worked as an in-house and as a freelance editor for educational publishers, and as a university supervisor for Ashland University in Ohio, where she mentored student teachers.

Not only is Mrs. Timmons new to Holy Cross Academy, she and her husband are also new to Fredericksburg, having moved to the area in February, 2022. Just recently her husband, cat, and two dogs moved into their house in downtown Fredericksburg and they are already enjoying getting to know their neighborhood. Before that, they lived in Cleveland, OH (her hometown!), Connecticut, Wisconsin, and New Jersey. She and her husband have four children and two grandchildren.

Mrs. Timmons favorite way to spend her free time is with her family. They are avid sports fans, especially baseball, although her New York Ranger fan husband has gotten her hooked on hockey, too! Outdoors, she loves to walk, run, bike, kayak, and hike. She also enjoys reading, yoga, and travel.

As a teacher, I believe that building relationships is the key to success in all areas of education. When families, teachers, and students treat each other with respect and value the contribution that each makes to the process of learning, great things can happen!
