

Mrs. Grace Valverde

Grace has six children of her own at home. Before focusing primarily on the care of her home and children, she was a pediatric occupational therapist for several years. Grace is drawn to the wonder in the eyes of children as they absorb the world around them. Her favorite saint is Saint Gerard as he was the patron saint of her elementary school and she has a special love for expectant mothers. She enjoys sharing her faith with her coworkers and students at Holy Cross.
