We are thrilled to have you join us this year and we look forward to working together to make your child's preschool experience a joyful one. At Holy Cross Academy Preschool at St. Mary we provide an environment rich in experiences necessary to promote emotional, social, physical, and intellectual growth in the preschool child. In a caring, positive Christian atmosphere we create a warm and happy place for your child to learn. As we bridge the gap from home to school, we guide children to a continued good self-image while building social skills in a school setting.

Our curriculum is developed through teacher observation and evaluation of each child. Concepts and skills are introduced which are appropriate to each child's stage of development. Concrete, hands-on activities and experiences are planned according to a calendar of themes and units which are relevant to the children, providing meaningful learning.

Sensory, motor, perceptual and language skills are reinforced through manipulative materials and activities which are both child-centered and teacher-directed. Projects are planned which emphasize "the process rather than the product," fostering a sense of accomplishment and pride for each child. We teach a love of learning by allowing and helping children to experience success without pressure.

Based on the theory that "children learn through play," classroom experiences encourage each child toward active involvement and creative exploration of his/her environment. Classroom schedules are designed with a balance of structure and free choice, as well as active and quiet times.

I. PHILOSOPHY OF EDUCATION/MISSION STATEMENT

DIOCESAN PHILOSOPHY OF CATHOLIC EDUCATION

*Go, therefore, and make disciples of all nations...
Teaching them to carry out everything I have commanded you.*

Matthew 28:19-20

These words of Christ addressed to the apostles at the Ascension bestowed on the Church the office of teacher. Obedient to this divine challenge, the Church provides education permeated with the spirit of Christ and dedicated to promoting the full development of the human person.¹ The two-fold goal of Catholic schools is to provide an environment which will foster rich religious training as well as solid academic education in a Catholic value-oriented manner.

¹ Declaration on Christian Education #3

DIOCESAN MISSION STATEMENT

The Catholic schools in the Diocese of Arlington are an essential component in the educational ministry of the Church. Our schools are committed to providing an education rooted in the Gospel of Jesus Christ where Catholic doctrine and values and academic excellence prepare each student for a life of faith, service and integrity.

SCHOOL MISSION STATEMENT/PHILOSOPHY

As a part of Holy Cross Academy, Holy Cross Academy Preschool at St. Mary Preschool abides by the mission statement of Holy Cross, which states:

‘It’s About the Children!’

At Holy Cross Academy, we are guided by the spirit of Saint Francis de Sales as we dedicate ourselves to

Create an atmosphere of prayer and reliance on our heavenly Father;

Spread the message of Jesus in our families and our community by treating all persons with respect and showing reverence for the gift of God in each one;

Build up our Spirit- filled faith community within Saint Mary Parish;

Serve the needy in our local community and in the Missions through an awareness of our global responsibility to all humanity;

Develop the whole child: spiritually, emotionally, academically and physically;

Promote academic excellence by challenging all our students to recognize their gifts and fulfill their God-given potential.

May God Be Praised!

STUDENT/PARENT HANDBOOK

Each school shall utilize the OCS template to develop and distribute a handbook for students and parents. All local policies and procedures must be in conformity with Office of Catholic Schools policies, guidelines and regulations.

A committee, representative of the total school community, shall be involved in the development and periodic revision of this handbook.

All parents are required to sign a form stating they have read the rules and regulations outlined in this handbook and they agree to abide by those rules (Appendix AG-3). This signature form will be given to students when they receive a copy of the handbook and the form must be signed and returned as soon as possible. Failure to have a signed form on file will not prevent the school from enforcing its policies, but could result in disciplinary action being taken and/or prevent a student from enrolling (or continued enrollment) in the school.

Faculty and staff members shall be given copies of all school handbooks.

Handbooks and all subsequent changes are subject to prior written approval by the Diocese. To the extent any local handbook or policy statement therein may be inconsistent with the policies, guidelines or regulations of the Office of Catholic Schools, the Office of Catholic Schools policies, guidelines or regulations shall be of controlling force and effect.

PARENTAL ROLE

Since parents have given their children life, the Catholic Church recognizes parents as the primary and principle educators of their children. The Catholic parents' promise at baptism to raise their children as Catholic supports this premise. The Catholic school exists to assist parents in the Christian formation of their children.

In this Handbook, the term parent refers not only to a child's natural or adopted parent, but to a student's non-parent legal guardian or to any person or agency authorized to act in place of parents.

The Diocese of Arlington Catholic Schools respects the role of parents as the primary educators of their children. Since the school is a continuation of the education children are receiving at home, Diocesan schools should demonstrate respect and support for the parents in their important and challenging task.

Parents are expected to support the school's mission and commitment to Christian principles;

support the school policies as outlined in school handbooks (i.e., annually sign the school's Handbook Agreement Form). One of the conditions for initial and continued enrollment at the school is receipt of this signed form indicating the parent's support of the school's philosophy, policies, and regulations. In the event a parent desires to discuss a problem with his/her child's teacher, the parent should make an appointment for a private meeting with the child's teacher. Teachers welcome the opportunity to discuss a matter of concern with parents before it becomes an actual problem. Any parent who wishes to speak with the principal/director may do so, but after an initial meeting with the classroom teacher.

If a parent repeatedly or seriously violates proper school protocol, displays inappropriate or disruptive conduct toward students, or displays disrespectful, disruptive or harassing behavior toward teachers or toward school, parish or diocesan staff, and or other families the school may take corrective action. Such corrective action may include, at the discretion of the principal/director (and, for parish schools, the pastor of the parish) the following: imposition of particular rules or procedures the parent must follow in interacting with the school and its students and staff; restriction or termination of the parent's access to school or parish property; dismissal of the parent's child(ren).

The school may impose other appropriate corrective action, without prior recourse, based upon the nature of the parent's conduct and the surrounding circumstances.

As a foundation for a faith-community, parents are invited and encouraged to participate in the school's celebration of prayer and Liturgy.

Parents are encouraged to participate in the programs, which are developed for the education of their children. The wide spectrum of this involvement includes volunteer work, participation in parent-teacher conferences, attendance at meetings and seminars designed to help parents assist their children at home and active involvement in the school's Parent-Teacher Organization.

NON-DISCRIMINATION CLAUSE

Catholic Schools, administered under the authority of the Catholic Diocese of Arlington, comply with those constitutional and statutory provisions, as may be specifically applicable to the schools, which prohibit discrimination on the basis of race, color, sex, age, marital status, disability, national origin or citizenship in the administration of their educational, personnel, admissions, financial aid, athletic and other school administered programs.

This policy does not preclude the existence of single sex schools, nor does it conflict with the priority given to Catholics for admission as students. This policy also does not preclude the ability of the school to undertake and/or enforce appropriate actions with respect to students who advocate on school property or at school functions any practices or doctrines which are inconsistent with the religious tenets of the Catholic faith.

NON-CATHOLIC CHILDREN

The presence of children from other faiths provides a wonderful diversity to the school. However, the presence of non-Catholic children in the school shall not alter the primacy of Catholic religious formation as an integral component of the educational program in the school. As such:

1. Non-Catholic children are expected to participate in the religious formation and education programs of the school.
2. Non-Catholic children must participate in liturgies, retreats and other religious functions incorporated within the program.
3. Non-Catholic children may not be exempted from the catechesis held during the school day.
4. While Catholic teaching respects the various faith traditions of the children attending the Catholic school, parents must be aware that it is the Catholic position that will be taught.

In light of the unique situations which may arise in the educational process, and because it is impossible to foresee all school issues that arise, the faculty and administration reserve the right to address and to take appropriate action for any such situations not specifically referenced in this manual. In addition, in view of the unique and essential religious mission of the school, it is expressly understood that the school may take actions in cases where moral offenses occur which reflect adversely on the school, the Catholic Diocese of Arlington or the Roman Catholic Church, or which interfere with the ability of the school to perform its religious mission or to effectively maintain the intimate working relationship of the school and the Community of Faith.

This handbook may be modified by the school after reasonable notice to the parents of the effective date of any changes. Any section headings are for convenience of use, and shall not affect the interpretation of any provisions. If the school should elect not to take action in a particular situation, this shall not be construed or interpreted as a waiver or preclude the school from acting in a subsequent situation of the same or similar kind.

II. CURRICULUM

The curriculum is not just the goals of the program and the planned activities but also the daily schedule, the availability and use of materials, transitions between activities and the way in which routine tasks of living are implemented. Young children are expected to learn through active and positive manipulation of the environment and concrete experiences that contribute to concept development.

Without limiting the rights of the school under section VIII of this handbook, modifications may be made in the environment and staffing patterns for children with special needs.

The daily schedule is intended to provide a balance of activities with attention to the following dimension of scheduling:

- a. Daily outdoor play, weather permitting
- b. Alternating periods of quiet time and active play
- c. A balance of large muscle and small muscle activities is provided.
- d. Various small group or large group activities through most of the day
- e. A balance of child-initiated and staff-initiated activity is provided. The amount of time spent in staff-initiated, large group activity is limited.

Developmentally appropriate materials and equipment that project heterogeneous, racial, gender and age attributes are selected for use.

The school will use media, such as television, films, videotapes and computers, that have been previewed by adults prior to use. Another option for activity is always available. No child is required to view or interact with the program; and the staff discusses what is viewed with children to develop critical viewing skills. Technology is incorporated as an integral part of the day.

The goal of the school is to emphasize concrete experiential learning and to achieve the following goals:

- a. foster positive self-concept;
- b. foster spiritual development;
- c. encourage children to think, reason, question and experiment;
- d. develop social skills;
- e. encourage language development;
- f. enhance physical development and skills;
- g. encourage and demonstrate sound health, safety and nutritional practices;
- h. encourage creative expression and appreciation for the arts;
- i. respect cultural diversity.

Staff provides materials and time for activities, but children choose from among several activities that the teacher has planned or the children initiate. Staff respects the child's right to choose not

to participate at times.

Children are not always required to move from one activity to another as a group. Unregimented transitions are also used as a vehicle for learning.

Planned or routine activities may be changed according to the needs or interests of children, and/or to cope with changes in weather or other situations that affect routines without unduly alarming children.

Routine tasks such as toileting, eating, dressing and sleeping are incorporated into the program as a means of furthering children's learning, self-help and social skills. Through complementary actions at home, parents are expected to assist and cooperate with staff to make feeding and the development of other independent skills a positive experience for children.

Class Schedules

The three-year-old classes meet on Tuesdays and Thursdays, from 8:45-11:45 or Monday, Wednesday and Friday from 8:45-11:45

The four-year-old morning class meets on Monday, Wednesday, and Friday from 8:30-11:30.

A four-year-old extended day class that meets from 8:30-2:00 is also offered either three days a week on Monday, Wednesday, and Friday, or two days a week on Tuesday, Thursday. Students may opt to attend the extended class five days per week based on space available.

SUPPLIES AND MATERIALS

Children will be given a list of school supplies to bring to class. All materials will be kept in the classroom. Teachers will have adequate supplies for all children and will supplement when necessary.

ASSESSMENT

The school's program is intended to assist staff and administrators in a systematic evaluation of the program, to diagnose children's strengths and weaknesses and to aid in revision of the curriculum and planning of instruction.

PARENT-TEACHER COMMUNICATION

Teachers are available to parents throughout the school year to keep the lines of communication open in the best interest of the children. Parent-teacher conferences can be scheduled throughout the school year if necessary. Parents should first privately contact a teacher with any concerns about a child or class situation before seeking intervention of the director or school administration.

SCHEDULING AND OTHER CONFERENCE INFORMATION

Conferences will be scheduled in January. Parents will have the opportunity to meet with the teachers to discuss their child's progress and any concerns. A written report will be provided in January and at the end of the year.

PROGRESS REPORTS

Evaluation of the child must be based on teacher judgment, observation, daily performance, class participation and effort. Children will receive a progress report twice a year, in January and at the end of the year.

RETENTION/PROMOTION/PLACEMENT

A major goal of the school is to assist children to complete each year satisfactorily. Retention is recommended only when it is deemed necessary and advantageous to the particular needs of the child.

- a. The final decision to promote or retain a child is based on the child's developmental performance and best interests, as determined by the principal/director.
- b. Parents will be kept informed about the inability of their child to progress satisfactorily.
- c. Children who would not benefit from being retained may be "placed" in the next level; however, the school may prepare and implement an Intervention Plan for the child as a condition of placement.

III. ADMINISTRATIVE PROCEDURES

ADMISSIONS

DIOCESAN INITIAL ADMISSION REQUIREMENTS

Children who desire an educational experience founded on the Catholic philosophy of education and who fulfill the age, health and behavioral requirements are eligible for admission to the school.

Eligibility

The school sets registration procedures and admission policies. The availability of space and the order of preference for admission are determined by the school according to the following general criteria:

- a. Children from the parish
- b. Children from parishes without schools
- c. Children from parishes with schools (for sufficient reason)
- d. Children from non-Catholic families

If approved by the pastor, and where practicable, the siblings may receive special consideration.

General Requirements for Preschool Admission

There is no testing for preschool admission. However, readiness assessment may be utilized to determine the developmentally appropriate placement in the preschool program. The following list of documents/information is required:

1. Presentation of an original birth certificate (schools are expected to keep a copy of the certificate on file)
2. Baptismal certificate for Catholic students
3. Proof of custody where applicable
4. Progress reports (if available)
5. Completed Diocesan Application Form (Appendix J)
6. A non-refundable application fee
7. A fully executed MCH-213 G Commonwealth of Virginia School Entrance Form or equivalent, which stipulates the following must be submitted prior to the student beginning school:
 - a. Proof of exact dates of immunization as required by the Code of Virginia
 - b. Current Certification of Immunization
 - c. Physical examination covering all required aspects as mandated on the MCH-213 G, within 12 months prior to entering school for the first time. Equivalent school entrance physical forms from another state may be acceptable. (Note: A preschool physical does not take the

- place of the required kindergarten entry physical unless it is completed within 12 months prior to kindergarten entry.)
8. Proof of satisfying tuition requirements at any former Diocesan school if previously enrolled in a Diocesan school.

General Conditions of Admission

A child is admitted to the school on the premise the child intends to learn the Catholic religion and be educated in a Catholic environment. In certain cases, a child may be admitted on a probationary basis subject to the child successfully completing one or more subsequent interim evaluations. A child with academic or other needs (i.e., behavioral), which cannot be reasonably addressed by the school may be denied admission.

School application forms may request disability-related information. The Americans with Disabilities Act (ADA) does not prohibit a school from asking questions about a student's disabilities provided that information does not discriminate (automatically prohibit a student from applying).

International Students

The Diocese of Arlington endeavors to remain certified by the U.S. Immigration and Naturalization Service to admit F-1 Non-Immigrant students. The school, therefore, adheres to the following policies for enrolling non-U.S. persons:

A. International students who apply for admission to a Diocese of Arlington Catholic school will be considered for admission, upon meeting the following conditions:

- a. Meets Diocesan admission requirements as stated in Policy 601.2;
 - b. Currently holds or is in the process of obtaining an F-1 (Non-Immigrant) student visa;
 - c. Resides at the same U.S. address as the guardian;
 - i. Guardian cannot house more than two international students;
 - d. Pays tuition in full upon school admission;
 - i. There is no refund given for registration, tuition or other related fees;
1. The F-1 (non-immigrant student) status applies to those aliens who are in the United States for the purpose of attending school. Once a student is determined to meet the school's requirements for admission, the family must contact the Office of Catholic Schools or other "designated official" to process the Certificate of Eligibility for Non Immigrant (F-1) Student Status form for eventual admission and stay in the United States as an F-1 student. International students who enroll in a school in the Diocese for the first time must provide documentation they are free from communicable tuberculosis.
 2. For students who hold a visa other than F-1, refer to Appendix AJ (*Nonimmigrants Who Can Study*); International students who are currently in B-1, B-2, F-2 or M-2 status

cannot begin their studies prior to approval of their change to F-1 (Non-Immigrant) student. Obtaining a change of status is the responsibility of the parent or guardian.

- B. Any student applicant whose passport, United Nations travel document or other Immigration and Customs Enforcement (ICE) documents indicates that the student is a refugee, asylee, parolee, lawful non-immigrant¹ or permanent resident may be admitted to the schools of the Diocese of Arlington under normal requirements for admission. This policy would also include undocumented children.

CLASS PLACEMENT

To be placed in a class for a September start, a student must have had their third or fourth birthday prior to September 30th of the current calendar year. Those achieving their third birthday between September 30th and December 31st of the current calendar year may be considered for enrollment in the 3s program to start in January directly following the end of the Christmas Break. The principal/director and faculty reserve the right to place a child in a class to ensure the best interests of the child.

ATTENDANCE

ABSENCE/TARDINESS/LEAVING SCHOOL

Regular attendance in the program is strongly encouraged for setting the groundwork for a successful school experience. Neither the school, the Diocese, the Office of Catholic Schools, nor any of its employees/staff are responsible for ensuring actual attendance; this is the responsibility of the child's parent(s)/guardian(s).

Except in cases of emergency as determined by the principal/director and/or a staff member (as applicable or necessary), a child may only be released from school to another authorized adult with the prior written or verbal authorization of the child's parent. The adult will be required to produce identification before the child is released.

ATTENDANCE/REPORTING PROCEDURES

Absence

Parents will notify the teacher of any planned absences. In the event of an unplanned absence, please notify the Director at (540) 373-7553. She will notify the child's teacher and will make arrangements for any missed assignments.

Tardiness

A student who is tardy should report to the principal/director's office or attendance office. A student who arrives late with an excused reason (i.e. director's note) is counted tardy.

¹ Appendix AJ for a listing of lawful non-immigrants who may attend school.

Frequent cases of tardiness should be brought to the attention of the principal/director so that the parent may be contacted.

Please notify the teacher of any expected tardiness, and check with the teacher upon arriving to verify your child is in attendance.

Medical excuses

All medical excuses must be signed by a physician.

Anticipated absence

Please notify the teacher or director of any anticipated absences.

Release of children

Parents must sign in/out their children when arriving late (more than a half hour tardy) or being released early (more than a half hour prior to normal dismissal).

TRANSFERRING TO ANOTHER SCHOOL

The school must be notified in writing by the parent(s) of a child regarding a decision to transfer a child to another school, including the last day the child will attend classes at school. All school-owned materials must be returned to school and all fees paid before leaving. Scholastic information will be sent to the new school upon a “Release of Student Records Form” from the new school. All Fees and Tuition MUST BE PAID prior to the release of the child’s records.

LUNCH/MILK PROGRAM

Rules for acceptance and participation in the U.S. Department of Agriculture Child Nutrition Programs are the same for all children without regard to race, color, sex, age, handicap or national origin. Any person who believes he or she has been discriminated against in any USDA related activity should write to the Secretary of Agriculture, Washington, DC, 20250.

There is no lunch/milk program at Holy Cross Academy Preschool at St. Mary. Parents are requested to provide a healthy snack for their child and a lunch if the student is enrolled in the extended day program.

ARRIVAL AND DISMISSAL

Children will arrive at the doors of the Parish Life Center that are closest to the bell tower and will be admitted by an administrator or teacher during their designated arrival time. Students arriving late will need to proceed to the doors closest to the drive circle. The interior glass doors remain locked at all times. There is a doorbell on the side wall to alert those inside the building.

Children in the morning only classes and the Tuesday/Thursday extended day fours class will be dismissed from the main entrance of the Parish Life Center. Parents are asked to park in the drive lane and remain with their cars until their student is brought out to them. Children will only be dismissed when a car is fully in the drive lane. Children in the Monday/Wednesday/Friday extended day fours class will be dismissed from the rear entrance of the building near the playground. Parents are asked to park their cars and wait near their car but in sight of staff at the dismissal door. Children and siblings may not run and/or play in the dismissal and surrounding parking lot area. The safety of the children must remain the most important concern during arrival and dismissal procedures.

IV. GENERAL SCHOOL POLICIES

ADMINISTRATIVE

CHILD CUSTODY AND GUARDIANSHIP

At the time of school entry or at any other time where a change in custody status/arrangements occurs, it is the responsibility of the parent(s) to provide the principal/director with a true and correct copy of the legal document for any child for which there is a legal custody agreement or for any child not residing with his/her parent.

School communication with the appropriate guardian is essential. Accordingly:

- a. Custodial parents should identify in writing other adults who may have access to information regarding their child.
- b. Non-custodial parents may receive information (when requested) regarding the child unless specific documentation to the contrary is provided in the legal custody agreement.

ACCESS TO RECORDS

Parents have a right (unless prohibited by the courts in a custody agreement) to the timely inspection of the educational records (cumulative and confidential) of their child during school hours. The school shall respond to reasonable requests for explanations and interpretations of the records.

If the educational records of a child contain information on more than one child, the parents are limited to the specific information about their child only.

Student records shall be open to authorized school personnel only (principal, director, assistant principal and those to whom they extend access within a given year.)

The school administration may elect to provide at cost photocopies of a child's educational records to parents, but documentation is to be stamped "unofficial."

Parents are obligated to share educational/psychological testing results and any resulting plan with the school. If a student has a documented disability, a copy of the Individualized Education Plan (IEP), Individualized Services Plan (ISP), 504 plan, and/or Student Assistance Plan (SAP) should be maintained in the student's confidential file. The refusal to provide such information is a ground for terminating enrollment in the school.

Confidential records for dis-enrolled students are merged with the students' cumulative files.

RETENTION OF RECORDS

The following student records are to be retained indefinitely:

Permanent record card (to include transcripts, attendance record and standardized test results)

The following student records are to be retained for 25 years:

- a. IEP/ISP or 504 Plan
- b. Student Assistance Plan
- c. Eligibility Minutes
- d. Student Assistance Team minutes

The following student records are to be retained for 7 years or age 25 whichever is greater:

- a. Application
- b. Counselor notes
- c. Discipline notes
- d. Court Documents
- e. Psychological reports

SCHOOL VISITORS

All persons other than school staff and currently registered children must first report to the school office immediately upon entering the preschool and sign in when visiting the school.

SCHOOL COMMUNICATIONS

Principal/ Director's Communication

To contact the Preschool Director, you may call the Preschool office at (540) 373-7553.

To contact the principal, you may call Holy Cross Academy at (540) 286-1600.

The Director will provide an annual calendar of events to the parents at the beginning of the year and whenever a change to the calendar is made.

Take-Home Communication

All materials prepared by parents for release to the parish or school community must be approved by the principal/director or his/her designee.

TELEPHONE USE

The classrooms are not equipped with telephones for incoming calls. All classrooms will have a cell phone for emergencies only. Any communication with the Director, teachers, or assistants must be done through the Director at (540) 373-7553.

In case of an emergency, a teacher or the director may be reached by calling the Parish Office at 540-373-6491

INCLEMENT WEATHER/SCHOOL CLOSINGS

Emergency Closures

Emergency closing of the school and or delayed start of school will be at the discretion of the director and based on the students' best interests. Closings will be announced by the local radio stations, B101.5 and WFLS. Weather related closings will usually be the same as those for Holy Cross Academy. If possible, parents will also be notified of a closing or delay by email and/or a phone call.

In the event of a delayed start, Holy Cross Academy Preschool at St. Mary Preschool will open at 10:00 am, half day classes will dismiss at 12:00 pm. Dismissal for extended day classes will be at 2:00 pm as usual in the event of a delayed start.

It is the school's intent to be open as much as possible, however in the case of emergency closure, tuition reimbursement is not available if the school makes efforts to inform parents of its anticipated reopening as soon as possible following the emergency or crisis.

PHOTOS AND OTHER MEDIA

Parents may opt out their children from participating in videotaping, audio recording, school pictures, other photography or participation involving the Internet. When a parent decides to exercise this right, the school is required to use the *Waiver/Right to Object* form (Appendix N). All student or parental publications are subject to review and approval by the school administration prior to publication.

LIBRARY

All books chosen for classroom reading in Diocesan schools must be appropriate for students not only in age level and reading ability but also for the moral development which we are working to foster. All books shall conform with Diocesan policies and guidelines regarding Catholic education.

Parents or teachers who object to reading or audio-visual/computer materials must complete an Objection to Content Form (Appendix K) and submit it to the school principal/director. A review committee (to include an Office of Catholic Schools member) will subsequently discuss the objection and decide the disposition of the challenged material. The parent or teacher initiating the review should be personally notified of the results of the review.

FIELD TRIPS

- Field trips are privileges planned by teachers and approved by the school administration with educational purposes as the primary objective and in light of financial considerations.
- Field trips are considered an extension of the school day and the code of conduct

will apply.

- A child must give to the sponsoring teacher a permission form signed by a child's parent(s) prior to a child participating in each activity (Appendix R).
- In the event private automobiles/vehicles of children, parents or other authorized adults of at least 21 years of age are to be utilized to transport children on field trips, the drivers and/or the vehicle owners must have a valid driver's license and sufficient liability, medical and uninsured motorist insurance coverage as defined by the Diocesan Risk Manager. Evidence to this effect must be presented to the principal/ director for review and approval prior to the use of such vehicles. The principal/ director shall have the right to prohibit for any reason a proposed driver from transporting children on a field trip. Youth weighing less than 100 pounds may not be seated near the front seat airbag. Cell calls and texting are not permitted when driving.
- Teachers and other school employees should not drive students in their personal vehicles.

Parents/guardians are to be furnished with detailed written information about the field trip, and must be given the opportunity to “opt out” their children from the field trip.

It should also be understood, in light of world conditions and specifically threats of terrorism against Americans and the current pandemic, it may be necessary to cancel school-sponsored trips due to world and national developments at any time.

All medications given on field trips must comply with medication administration policies. For a student with prescription medication and/or medically necessary health related procedures or treatments, a trained individual needs to be present on the field trip such as; a school nurse, parent/guardian or designated family member to ensure care in the case of an emergency. If a trained individual of the school is unable to chaperone the student on a field trip, it is the responsibility of the parent to provide a trained individual to accompany the student.

OVERNIGHT TRIPS

Overnight trips are not permitted for preschool children.

PARENT ORGANIZATIONS

Parent-teacher (and/or home-school) organizations are sponsored by the school to promote a cooperative effort at meeting certain needs of the child. The parent organization is subject in all respects to the control of the school. All parent organization activities and all materials prepared by parents must be submitted to the principal/director for approval prior to implementation and/or distribution.

All PTO monies must be deposited in the parish or school account as designated by the pastor. In consultation with the principal/director, the PTO officers should prepare a budget and submit it to the pastor and principal for approval.

Persons nominated to serve as a PTO board member must receive the approval of the pastor and

principal/director.

The parent organization should strive:

1. to serve in an advisory capacity to support the principal/director;
2. to provide a means by which parents can respectfully articulate their values and expectations regarding the school so that these can be examined and addressed by the principal/director;
3. to support and promote quality Catholic education at the school;
4. to encourage Catholic values of family life;
5. to share with teachers the values that parents are attempting to develop with their children at home;
6. to acquaint parents with up-to-date information concerning current developments in educational initiatives as they may affect the school so that they can be in a better position to promote the legitimate rights of their children;
7. to unify parents in an effort to raise funds each year for the school.

A Preschool parent and/or representative is encouraged to attend all open PTO board and general meetings.

Every school should have a representative on the Diocesan Council of PTOs.

FUNDRAISING

Any program of fundraising at the school must have the approval of the pastor and the principal/director. Fundraising activities should be organized and executed so that the school program is not interrupted. Children may participate in and cooperate with worthy collections and fundraising projects conducted by the school leadership (Pastor, principal, or director).

TRANSPORTATION/PARKING

During arrival parents may park in the front of or behind the building. Cars must be turned off and children escorted to the check in area. Parking in the semi-circle in front of the main door is permitted for dismissal times only.

V. FINANCES

SCHOOL TUITION POLICIES

Parents are expected to participate in the FACTS program through Holy Cross Academy. FACTS is a tuition management plan that allows for monthly payments to be made as a direct deposit account.

Parents also have the option of paying the entire tuition in full by August 1 , before the beginning of school. This is also handled through the FACTS tuition management program.

TUITION AND OTHER FEE SCHEDULES

Registration fee - \$85.00

Tuition - 2 day program- \$171.00/mo or \$1710.00 per year.

3 day morning program or 2 day extended day - \$229.50/month or \$2295.00 per year.

3 day extended program – \$328.50/mo or \$3285.00 per year.

Tuition is non-refundable for any trimester in which the student is registered in school even if the student does not complete the school trimester. If a family prepays tuition and leaves the school for any reason, the school will issue a refund for those trimesters for which the student was not registered. If a student is registered at the school on the 1st day of any given trimester, including August, the family is responsible for tuition for that trimester. (School website - newsletters links and attachments - Handbooks & Forms block - Family Handbook - Page 46, Paragraph 3.)

Dates of the trimester for the 2020-2021 school year are as follows:

Trimester 1: August 26, 2020 - November 24, 2020

Trimester 2: November 25, 2020 - March 12, 2021

Trimester 3: March 13, 2021 - June 8, 2021

Emergency Closures

It is the school's intent to be open as much as possible, however in the case of emergency closure, tuition reimbursement is not available if the school makes efforts to inform parents of its anticipated reopening as soon as possible following the emergency or crisis.

VI. CHILD RESPONSIBILITIES & BEHAVIOR

CODE OF CONDUCT

In all areas of learning, discipline must be considered in the development of children. The Code of Conduct is based on the Gospel message of Jesus. Growth in self-discipline, a responsibility for Catholic moral values and a loving respect for the rights of all persons is encouraged and nourished by the Code of Conduct. To achieve these ends, parents, staff and children work together to create a Catholic school environment. Based upon the Catholic moral values and loving respect for others taught by Jesus, children:

- a. will be truthful.
- b. will be respectful and courteous toward all teachers and adults.
- c. will refrain from harassment of any kind.
- d. will use appropriate language.
- e. will speak respectfully to and about others.
- f. will respect all school and personal property.
- g. will play only in assigned playground areas with good sportsmanship and cooperation.
- h. will bring to school only appropriate show & tell items from home.

The school observes this Code of Conduct because it is built on fundamental Catholic social teachings. The role of the principal/director and staff is to work with the children and parents to assist the children in developing a strong Christian attitude toward life.

DISCIPLINE

Classroom rules are designed to protect persons and property and to promote prosocial behaviors, such as sharing and taking turns. If problems arise, the children in question will be reminded of acceptable behaviors and redirected to more positive activities.

USE OF DISCIPLINARY ACTION

In cases where a child is continually disruptive of others or in the case of a single serious disciplinary infraction, the teacher will apprise the principal/director of the situation. They will assist in the development of a course of action to be taken to correct the situation.

Children who lack self-discipline or who violate the rights of others can expect disciplinary action. Each offense will be dealt with on an individual basis according to the age of the child, the nature of the infraction and the severity of the case. Repeated infractions can result in more serious consequences, up to and including suspension and/or expulsion, but there is no requirement for progressive discipline.

SPECIFIC DISCIPLINARY POLICIES

Teachers will handle minor discipline issues within the classroom, usually by taking the child aside to discuss their behavior. The student may also be given a variety of calming tools or a space to contemplate the inappropriate behavior. If the teacher feels it is necessary, she will contact the Director. If a child appears to be a harm to himself and/or classmates, he/she may be asked to leave the school for the day. A parent conference will be scheduled with the teacher, Director, and parent upon the child's return to school.

SUSPENSION

Suspension may be imposed as determined by the principal/director. Once the principal/director suspends a child, parents may be required to sign a behavioral contract in which they signify their understanding of the problem and agree to work with the school in correcting the situation.

The failure of the parents to execute the above referenced agreement shall preclude the child from returning to the regular program.

DISMISSAL

Conduct which is disruptive to the learning atmosphere and/or contrary to the school's Code of Conduct is justification for a principal/director to dismiss a child at the close of the school year.

Children who are dismissed may apply for readmission to any Diocesan school after one full year.

EXPULSION

Expulsion may be resorted to when one or all of the following are present:

- a. a serious infraction of school rules occurs;
- b. the child has demonstrated continuing disregard of school rules for which other means of discipline have proven ineffectual;
- c. the child's continued presence in the school is considered by school officials to be a serious hindrance to the safety or welfare of the school community;
- d. a parent repeatedly or seriously violates proper school protocol, displays inappropriate or disruptive conduct toward students or displays disrespectful, disruptive or harassing behavior toward teachers or toward school, parish or diocesan staff.

If the principal/director believes it necessary to expel a child, the principal/director will notify the child and the child's parents about the child's action and provide them with an opportunity to respond in accordance with the school's disciplinary hearing process before making any final decision on the matter.

A parent whose child is expelled may appeal this decision in writing to the Superintendent of

Schools within 5 working days from the time of written notification.

During the pendency of any appeal, the expelled child shall be removed from the school community in compliance with the expulsion notice unless otherwise directed in the discretion of the principal/ director.

Children who have been expelled from any Diocesan school may not apply for admission to that school or another Diocesan school for a minimum of one (1) year from the date of expulsion.

REGULATIONS AND PROCEDURES

Privacy of individual children must be balanced against the need to protect the health, welfare and safety of other members of the school community. The principal/director or his/her designee has the right to protect the health, welfare and safety of school patrons by searching a child's person and/or personal property on school grounds or at school activities. Lockers and desks are school property and are subject to searches by school personnel.

CARE OF SCHOOL PROPERTY

Children are to care for school property in a respectful manner. Children who deface or damage school property or the property of others will make financial restitution.

DRESS CODE

The dress code provides a standard for our children that fosters an environment conducive to learning and respectful behavior. At this time, Holy Cross Academy Preschool at St. Mary Preschool does not have a school uniform.

DRESS CODE REQUIREMENTS & OTHER PERTINENT INFORMATION

Children should wear clothing that is durable and appropriate. All clothing that may be removed (sweaters, coats, etc.) must be labeled with the child's name.

Tennis shoes or closed toe shoes are necessary for using the playground.

An extra set of clothing should be brought to school for emergencies. This clothing should also be clearly labeled with the child's name.

TOILET TRAINING

It is expected that children will be toilet trained upon entering preschool and will be wearing regular underwear. We ask that parents provide a change of clothes and extra underwear in the event a child has an accident. We are also aware that there is a "transition" period at the beginning of school as children get used to the routine of a classroom and telling the teachers

when they have the need to use the toilet. However, if a child has repeated accidents, Holy Cross Academy Preschool at St. Mary Preschool may ask the child to leave the preschool until he/she is trained.

PLAYGROUND REGULATIONS

Children are encouraged to wear tennis shoes or closed toe shoes on the playground. Playground equipment must be used appropriately with the safety of all children as the most important criteria.

LUNCHROOM REGULATIONS

Given the risk of potential harm, students' access and use of microwave ovens are prohibited. Student meals provided by parents must not be heated in microwave ovens by school personnel and/or school volunteers.

Children will bring a snack for the morning program and a snack and lunch for the extended day program. Parents are asked to provide a snack that is nutritionally balanced and adheres to the guidelines of The Department of Social Services. Extra snacks will be kept at the preschool for any children that forget their snack.

SHOW & TELL

Children are allowed to bring toys from home for the purpose of Show and Tell only. Weapons (whether real or toys) of any kind are not appropriate Show and Tell items, and shall not be brought to school for any reasons. If weapons of any kind are brought to school, the child shall be subject to immediate disciplinary action which may include but not be limited to expulsion.

VII. HEALTH, SAFETY & WELFARE

STUDENT HEALTH, SAFETY & WELFARE

Parents and guardians have the primary responsibility for the health and well-being of their children. School health services supplement, rather than substitute, for parental care and concern for the health of the students.

PREVENTION OF SEXUAL MISCONDUCT AND/OR CHILD ABUSE

The Catholic Diocese of Arlington Policy on the Prevention of Sexual Misconduct and/or Child Abuse generally applies to all clergy, all employees and all volunteers.

It is the policy of the Diocese that sexual misconduct and/or child abuse while performing any work or activities under the auspices of the Diocese is contrary to Christian principles and outside the scope of any authority, duties and/or employment of any clergy, employee or volunteer.

Any clergy, employee or volunteer with the Diocese who knows or has reasonable cause to suspect that an incident of child abuse or illegal sexual misconduct has been perpetrated by any individual, including clergy, employee or volunteer with the Diocese,

- a. must comply with applicable reporting and other requirements of state and local law;
- b. must report the incident to the Moderator of the Curia of the Diocese of Arlington.

Virginia law imposes upon school personnel the legal responsibility of reporting to the local child protective services agency any incident of suspected child abuse or neglect.

School personnel who suspect the abuse or neglect of a student must report the matter directly to Child Protective Services and to the school principal/director who in turn will call the Moderator of the Curia. At that point, confidentiality must be respected.

According to the *Code of Virginia*, (Section 63.2 – 1518) *Authority to Talk to a Child or Sibling*, “Any person required to make a report or conduct an investigation or family assessment, pursuant to this chapter may talk to any child suspected of being abused or neglected or to any of his siblings without consent of and outside the presence of his parent, guardian, legal custodian or other person standing in loco parentis or school personnel.”

WELLNESS POLICY

The Diocese of Arlington Office of Catholic Schools Wellness Policy (2006) meets minimum federal standards and establishes goals for physical education, nutrition and healthy environments in schools. All schools must develop, and continue to evaluate, local school

wellness policies. The local policies create a framework for increased student activity, staff wellness, safe and healthy environments and the elimination of foods of minimal nutritional value, during the school day. All schools have wellness committees to implement, sustain and evaluate the local wellness program.

ACCIDENTS AND FIRST AID

The parents of an injured student will be notified of the accident/injury by the principal/administration or the principal/administration's designee as soon as reasonably possible, taking into consideration such factors as the apparent severity of the accident/injury and the priority of providing assistance to the student.

If an incident results in a medical condition or injury which can be reasonably known to the appropriate supervisory faculty/staff member and/or the principal/director, the school and/or its staff are authorized to render reasonable basic first aid if such direct medical assistance would, in the opinion of the school, serve to minimize the severity of the injured person's condition. In addition, staff may secure professional diagnosis and/or treatment if such action, in the opinion of the school, appears to be reasonably warranted. The school and school officials shall be expressly held harmless from any liability costs or expenses associated with the professional diagnosis and/or any treatment or first aid provided (including but not limited to the cost of transportation), such costs or expenses being the responsibility of the injured party or, if a student, the student's parents.

ILLNESS

Each school will provide a health office or comfortable space, apart from the student population, where children who become ill or injured can be cared for following *Virginia School Health Guidelines*.

Children with fevers, contagious or infectious diseases will be sent home promptly and excluded from school while in that condition, per Virginia Department of Health regulations. Once the student is confirmed to be free of communicable illness by a healthcare provider or is fever free/symptom free for 24 hours without taking anti-fever or symptom reducing medications, the student may return to school, after school and extracurricular activities.

When a student is requesting a waiver from participating in Physical Education classes and/or recess, parents are required to submit a written statement from their child's physician which states any activity restrictions with regard to participation in Physical Education classes and/or recess. The statement is expected to include a specific time frame for the activity restrictions.

MEDICATION ADMINISTRATION OVERVIEW

All school clinics, administrators and staff are required to administer medication within the framework of the procedures outlined in Diocesan policy and summarized here.

All prescription and over the counter (OTC) medications may be administered during the school

day under the following conditions:

- a. When the need for administration of medicines during school hours has been confirmed by the school nurse/health assistant (or the school administration) ;
- b. After the first dose of any medication has been given at home;
- c. When the parent/guardian provides and transports the medication to and from school and the medication is given directly to the school nurse/health assistant or a senior member of the school administration;
- d. When there is a health care provider's written order signed by the parent/guardian requesting the school to administer medication or to permit the student to self-administer the medication;
- e. When the medication is brought to the school in its original container stating the name of the student, the dosage and method of administration prescribed by a physician. It is the parent's or guardian's responsibility to notify the school of any changes to the original prescription. The new prescription must also be brought to the school in the original container as stated above;
- f. When the appropriate medication authorization form (Appendix F-6) has been completed, signed and accompanies the medication;
- g. For any medication, parents must document the number of tablets or dosages to be secured for administration by authorized school personnel. If tablets are to be divided, the parent or guardian is responsible for dividing the tablets that are to be divided in order to achieve their child's proper dosage.
- h. Herbal and homeopathic medications will not be given in Diocesan schools without written authorization by a LHCP that shall include desired and adverse effects. Protein supplements will not be administered unless directly requested by a physician with a health treatment plan.
- i. Under no circumstances are medications to be shared by other students.
- j. Picc Lines, Heparin/Saline Locks, and Central Venous Lines may be present in students with specialized health care needs. Dressing changes, heparin flushes, and other medication administration via these lines are to be done at home and should not be done at school.

All OTC and prescription medications are to be kept locked in the clinic/school office and be administered by the school nurse, clinic aide, principal/director or trained designee. No student is to carry/possess medications, without appropriate medical authorization. No medication will be administered unless the school has received a signed copy of the Medication Authorization Form (Appendix F-6). OTC medications do not require a health care provider's signature unless the medication is required for four (4) or more consecutive days.

It shall be the student's responsibility to come to the clinic/school office at the appropriate time for medication unless a health care provider or parent indicates in writing that the student cannot do this.

Students are NOT permitted to self-medicate. The school does not assume responsibility for medications taken independently by the student. Exceptions may be made on a case by case basis for students who demonstrate the capability to carry and self-administer emergency

life-saving medications (e.g. inhaler, Epi-pen).

Within one week after expiration of the effective date on the order, or on the last day of school, the parent/guardian must personally collect any unused portion of the medication. Medications not claimed within that period will be destroyed.

SPECIALIZED STUDENT CARE NEEDS

The parent of any student on a continuing regimen for a non-episodic condition shall inform the school principal/director/administration and identify in writing the student's supervising health care provider. If necessary, and with parental written consent, there may be occasions when the school needs to communicate with the health care provider regarding possible effects on the pupil's healthcare management, special emergency procedures or behavior at school.

USE OF CRUTCHES

An order from a Licensed Healthcare Provider is required to use crutches at school. If a student arrives at school on crutches without a doctor's order, the parent will be called to take the student home.

USE OF MICROWAVE OVEN

For preschool and elementary schools only; given the risk of potential harm, students' access and use of microwave ovens are prohibited.

LIFE THREATENING ALLERGY

Schools will utilize current resources and reputable materials such as; Food Allergy Research & Education (FARE) and the CDC's *Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs* to develop allergen management communications for student handbooks, classrooms and parental publications.

All schools must provide an annual in-service for school faculty and staff to educate on the policy. Training will include minimizing the risk of exposure to life threatening allergens in the school setting as well as anaphylaxis recognition, medical management and incident reporting.

Schools will utilize the policy to develop allergen management communications for student handbooks, classrooms and parental publications. . Schools will select and train staff to be utilized as anaphylaxis response teams responsible for managing an allergic crisis.

Parents and guardians of students with a life threatening allergy must inform principal/director and school health personnel of any allergies and provide schools with fully executed Diocesan documents. Parents/ guardians are expected to supply schools with any emergency medications as prescribed and may additionally provide the student with "safe" foods for classroom celebrations involving food. Schools will utilize Diocesan documents to formulate an emergency care plan for the student and will share this care plan with those involved with the student

including, but not limited to teacher(s), food service, bus driver, and janitorial staff.

INFECTIOUS/COMMUNICABLE DISEASES

Parents must notify the school within 24 hours if their child or any member of the immediate household has developed a communicable disease. Parents must notify the school immediately if the disease is life threatening. Parents must pick up their sick or injured child in a timely manner when contacted. If the parent cannot be reached, emergency contacts will be called to pick up the child.

The protection and welfare of each individual student is of importance in the schools of the Diocese of Arlington. In an effort to enhance protection of students:

- a. No daycare/preschool student may attend class without documentary proof of adequate immunization in accordance with Virginia Department of Health's school entry requirements (or modified schedule as approved by licensed health care provider) on the Virginia School Entrance Health Form (MCH-213G).
 - i. Parents or guardians who object to the administration of immunizing agents for their child on the grounds that this conflicts with their religious tenets or practices must produce a notarized Certificate of Religious Exemption CRE-1 form, which will be retained in the student health record.
 - ii. Students who have traveled or resided in a foreign country for five months or more during the last three years are required to provide documentation of a recent tuberculosis skin test result prior to school entry.
- b. Children with fevers and/or contagious or infectious diseases will be sent home promptly and will be excluded from school while in that condition, according to Virginia Department of Health regulations. Once the student is confirmed to be free of communicable illness by a health care provider or is fever free/symptom free for 24 hours without taking anti-fever medications, the student may return to school.
- c. School health personnel will follow the Virginia Department of Health Communicable Disease Chart, found in the Virginia School Health Guidelines, 2nd edition, when referring suspected cases of communicable disease to the local health department for excluding or readmitting a student.
- d. The Diocese of Arlington has comprehensive guidelines for school/parish based influenza vaccination clinics. The liability associated with the vaccination of children is great. The Diocese of Arlington does not promote school based vaccination clinics, for children during school hours and in the absence of the parent, with the exception of a state or federal emergency. Any school wishing to offer an onsite school influenza vaccination program must comply with all aspects of the Memorandum of Agreement (Appendix F-18). Vendors wishing to serve as vaccinators must be fully vetted by the Office of Risk Management prior to the consummation of any contract for services.

LICE

All students determined to have an active case of lice will be excluded from school until they receive treatment. It is the responsibility of the parent/guardian to provide appropriate and adequate treatment for the student and home environment as recommended by their health care professional. Readmission to school is determined by the school nurse/administration based upon re-inspection and the effectiveness of treatment. Follow up treatment is expected and verified by the school nurse/administration. Classroom contacts may be inspected.

BLOODBORNE DISEASE

The Christian community is called to respond to the sick in our midst with compassion and justice. The diocese recognizes its obligation to protect the rights of individual students infected with Hepatitis and HIV to provide a safe environment for students, staff members and the public. Students who are infected with bloodborne Hepatitis, Human Immunodeficiency Virus (HIV) or HIV-related conditions must be provided the opportunity to receive a Catholic school education in a regular classroom unless the student's health interferes significantly with school performance.

Since it is known that bloodborne Hepatitis and HIV are not transmitted through casual contact, any student who is infected will continue education in a regular classroom assignment unless his or her health status requires otherwise. It is the intent of the Diocese of Arlington Office of Catholic Schools to follow the recommendations of the U.S. Centers for Disease Control and Prevention (CDC) and the Virginia Department of Health which state that, most bloodborne Hepatitis and HIV-infected children be allowed to attend school in an unrestricted setting and that decisions regarding school attendance be based on the medical condition of each child and the expected type of interaction with others in that setting.

Persons involved in the implementation and monitoring of this policy shall maintain confidentiality of records in compliance with federal and state law and diocesan policy. All diocesan schools shall also maintain a program of information and training for school staff members to ensure a consistent and accurate understanding regarding prevention of exposure to bloodborne pathogens. This includes training related to the proper application of universal/standard precautions.

FIRE/EMERGENCY DRILLS

During the first month of school, students will be trained by their teachers to respond to a fire drill in an orderly manner. Fire drill routes are posted in each room. Fire and emergency drills will be carried out regularly. The school will also conduct an annual tornado drill.

SEXUAL HARASSMENT--STUDENTS

Sexuality affects all aspects of the person, including in a general way the aptitude for forming

bonds of communion with others. The Catholic Schools of the Diocese of Arlington endeavor to provide for their students an atmosphere free from sexual harassment.

1. No student is to sexually harass another member of the school community. Any student who engages in sexual harassment shall be subject to disciplinary action, up to and including expulsion.
2. Sexual harassment is defined as any unwelcome sexual advances, unwelcome physical contact of a sexual nature or unwelcome verbal or physical conduct of a sexual nature. "Unwelcome verbal or physical conduct of a sexual nature" includes, but is not limited to, "the deliberate, repeated making of unsolicited gestures or comments, or the deliberate, repeated display of offensive, sexually graphic materials via any media source which is not necessary for school purposes."

BULLYING

Bullying is defined as any aggressive and unwanted behavior that is intended to harm, intimidate, or humiliate the victim; involves a real or perceived power imbalance between aggressor(s) and victim; and is repeated over time or causes severe emotional trauma. "Bullying" includes cyber bullying. "Bullying" does not include ordinary teasing, horseplay, argument, or peer conflict.

Examples include but are not limited to:

- a. Physical intimidation or assault
- b. Extortion
- c. Oral or written threats, including text messaging
- d. Malicious Teasing
- e. Putdowns
- f. Name calling
- g. Threatening looks
- h. Gestures or acts of aggression (Overt and Covert)
- i. Cruel rumors & false accusations
- j. Social Isolation
- k. Cyber-bullying

School personnel will not tolerate any bullying on Diocesan school grounds or at any school-sponsored activity (on or off school grounds). In addition, the Office of Catholic Schools expects students and parents who become aware of an act of bullying to report it to appropriate school personnel (e.g. principal/director, teacher, school counselor). The Office of Catholic Schools expects staff members who become aware of an incident of bullying to take appropriate steps to intervene unless intervention would be a threat to staff members' safety. If a staff

member believes that his/her intervention has not resolved the matter, or if the bullying persists, he/she shall report the bullying to the school principal/director for further investigation.

In cases of reported bullying, the principal/director or designee shall interview all students involved (i.e. the aggressor(s) and the victim(s)) and investigate, as appropriate. This investigation may include interviews with students, parents and school staff; review of school records; and identification of parent and family issues. Any student who retaliates against another for reporting bullying may be subject to appropriate consequences.

- a. Consequences for students who bully others shall depend on the results of the investigation and may include:
 - Counseling
 - Parent conference
 - Detention
 - Suspension and/or Expulsion
- b. Depending on the severity of the incident(s), the principal/director may also report incidents of bullying to law enforcement if appropriate.

ASBESTOS MANDATORY YEARLY NOTIFICATION

ASBESTOS NOTIFICATION

In the past, asbestos was used extensively in building materials because of its insulating, sound absorbing, and fire retardant capabilities. Virtually any building constructed before the late 1970s contained some asbestos. Intact and undisturbed asbestos materials generally do not pose a health risk. Asbestos materials, however, can become hazardous when, due to damage or deterioration over time, they release fibers.

In 1986, Congress passed the Asbestos Hazard Emergency Act (AHERA) which requires schools to be inspected to identify any asbestos containing building materials. Every 3 years, Holy Cross Academy Preschool at St. Mary Preschool has conducted an inspection to determine whether the condition of the known or assumed asbestos containing building materials (ACBM) has changed and to make recommendations on managing or removing the ACBM. At the last inspection, all materials listed in the Management Plan as asbestos containing (or assumed to be asbestos-containing) were inspected and found to be in good condition.

The law further requires an asbestos management plan to be in place. The Holy Cross Academy Preschool at St. Mary Preschool Asbestos Management Plan has several on-going requirements.

It is the intention of Holy Cross Academy Preschool at St. Mary of the Immaculate Conception Parish to comply with all federal and state regulations controlling asbestos and to take whatever steps are necessary to ensure students and employees a healthy and safe environment in which to learn and work. You are welcome to review a copy of the asbestos management plan at the school during regular business hours. Chris Lanzarone, as Director of Operations, is our designated asbestos program coordinator, and all inquiries regarding the asbestos plan and asbestos-related issues should be directed to him/her at 540-373-6491 or clanzarone@stmaryfred.org.

VIDEO SURVEILLANCE CAMERAS

School leadership at each individual school may elect to install video surveillance cameras in order to maintain a safe and secure environment.

- a. In the discretion of the principal/director or his or her designees, video surveillance cameras may be placed in public locations deemed appropriate. Such locations may include, without limitation, school entrances/exits, lobby areas, hallways, classrooms, cafeterias, athletic areas, gathering spaces, and outdoor grounds, as well as school buses.
- b. Restrooms, changing rooms, private offices, nurse's offices and locker rooms are excluded from security camera use.
- c. It is recognized that it will not be possible to monitor all building areas, rooms and grounds, or to monitor any location at all times.

Schools making use of video surveillance cameras will provide notice to staff, students, and parents/guardians, by means of inclusion of this policy in their respective handbooks, that video surveillance may occur on school property. In addition, school leadership may elect to install signs at building entrances or other locations deemed appropriate to inform visitors and invitees that video surveillance may occur.

To the extent video images may be deemed to create student records or personnel records, the school shall comply with any applicable state and federal laws related to record maintenance, retention and disclosure.

Video images obtained by the school shall be viewed by authorized school and diocesan personnel as necessary. The school and the diocese may rely on the images obtained by the video surveillance cameras in connection with the enforcement of diocesan or school policies, regulations, codes of conduct, building rules and other applicable laws or rules, including but not limited to use of such images in student and staff disciplinary proceedings and matters referred to local law enforcement agencies in accordance with

applicable law. Video images may become part of a student's educational record or a staff member's personnel record in accordance with applicable law.

All video recordings shall be stored in a secure place. Recordings will be saved for no less than 30 days, and may be retained longer if deemed appropriate. All video recordings are the sole property of the Catholic Diocese of Arlington. Release of such videos will be made only with the permission of the diocesan Superintendent of Schools or his/her designee.

VIII. CHILDREN WITH SPECIAL NEEDS

The Catholic school recognizes the beauty and potential inherent within each child. In an effort to foster continued growth, the school embraces the challenge to provide assistance and programs to serve children with special needs according to the resources available within/to the school. Parents are considered an integral part of the process.

In order to accommodate a child who has been evaluated for special learning needs, parents are obligated to share educational/psychological testing results and any resulting plan with the school. The refusal to provide such information is a condition for negating enrollment in the school. A child may be admitted on a probationary basis with dates and criteria of evaluation clearly established in writing.

If a child has a documented disability, a copy of the Individualized Education Plan (IEP), Individualized Services Plan (ISP), 504 plan and/or Student Assistance Plan (SAP) should be maintained in the child's confidential file. Children who have a documented disability but do not qualify for services through the local public school may be eligible for accommodations through a Student Assistance Plan written at the Catholic school.

When a student qualifies for special education services through the public school and will not receive services, an Individualized Catholic Education Plan can be written following the information in the Guidelines for Serving Students with Special Needs.

Failure of the parent to sign the Student Assistance Plan or Individualized Catholic Education Plan does not prevent the implementation of the plan.

Children with disabilities are expected to follow the school's policies and honor code.

IX. PROGRAM INFORMATION

LICENSING INFORMATION

The Commonwealth of Virginia helps assure parents that child day programs that assume responsibility for the supervision, protection and well-being of a child for any part of a 24-hour day are safe. Title 63.1, Chapter 10 of the Code of Virginia gives the Department of Social Services authority to license these programs. While there are some legislative exemptions to licensure, licensed programs include child day centers, family day homes, child day center systems and family day systems. The state may also voluntarily register family day homes which are not required to be licensed.

Standards for licensed child day centers address certain health precautions, adequate play space, a ratio of children per staff member, equipment, program and record keeping. Criminal record checks and specific qualifications for staff and most volunteers working directly with children are also required. Standards require the facility to meet applicable fire, health and building codes.

Compliance with standards is determined by announced and unannounced visits to the program by licensing staff within the Department of Social Services. In addition, parents or other individuals may register a complaint about a program which will be investigated if it violates a standard.

Three types of licensing may be issued to programs. Conditional licenses may be issued to a new program to allow up to six months for the program to demonstrate compliance with the standards. A regular license is issued when the program substantially meets the standards for licensure. A provisional license, which cannot exceed six months, is issued when the program is temporarily unable to comply with the standards. Operating without a license when required constitutes a misdemeanor which, upon conviction, can be punishable by a fine of up to \$100 or imprisonment of up to 12 months or both for each day's violation.

If you would like additional information about the licensing of child day programs or would like to register a complaint, please contact the Regional Office of Social Services closest to you.
