

Mrs. Kathleen Piper

My husband, Monte, and I have 4 adult children, 3 grandchildren, with 2 more on the way. Last year, Monte and I moved from Sugar Land, Texas, to be closer to my extended family, our daughter and her family. We joined St. Mary's, and immediately felt at home.

I'm a retired public school kindergarten and first grade teacher. I am drawn to the preschool program because I get to do what I love in a Catholic school setting!
